Re: *United States v. Peretz Klein*, 18-cr-614

Dear Judge Karas:

We respectfully write to update the Court as to restitution for Peretz and Susan Klein. Their restitution obligation is \$1,144,288.37. We have that full amount in our escrow account and will pay it as soon as the restitution obligation is entered in this case. We apologize for not including this information in the supplemental sentencing submission we recently filed.

Respectfully submitted,

/s/
